Sport Premium Funding 2019/20	Total £20,177 (allocated)

Curriculum Objectives

- To increase curriculum PE to provide 2 hours of fun, challenging and physically demanding high quality PE
- To create personalised learning journeys, where all pupils can enjoy and succeed and personal bests are embedded and celebrated
- To ensure all children learn and develop the fundamental movement skills of Agility, Balance and Co-ordination
- To ensure children develop the fundamental sports skills of throwing, catching, running, jumping, dodging, kicking and dribbling
- To provide a range of different curriculum, club and community opportunities and activities for children identified as needing more support to be healthy and active
- To develop G+T opportunities for children to access a range of challenging opportunities in school, in partnership with other schools, in the local community and through key partners

School Sport and Club Objectives

- To support all children to be active and develop and learn new skills at a sports club at least once a term
- To develop and use a club and competition tracker system so we can provide opportunities for those identified as not taking part and find out the reasons why they don't or can't take part
- To increase the number and range of sports and physical activity clubs provided linked to school, borough and community club and competition opportunities
- To develop a healthy, active 'sport for all' culture where PE and School Sport is important to all children and all children want to take part in extra-curricular and community clubs to keep improving their personal best

Audit of PE, school sport and health and fitness opportunities and provision

PE Curriculum Quality and Provision

- Training to ensure all teachers can confidently deliver a high quality fundamental movement curriculum that supports the specialist PE delivery and meets the new improved National Curriculum criteria and Ofsted recommendations
- To provide a range of enrichment physical activity, health and personal development opportunities: Leadership, empowerment, inspirational visits and activities, National Governing Bodies (NGB) community club taster events, health and fitness events/activities
- To ensure all children can swim 25m by the end of year 6
- To promote healthy lifestyles and to ensure all children have the opportunity to understand what makes them healthy.

PE and School Sport (PESS) including clubs and competition

- A system is in place to track pupil participation in clubs and competition to enable us to support those children who are the least active and provide a range of pupils with competitive opportunities
- Sports club provision needs to increase to include a wider range of children.
- Sports club provision needs to link to PE curriculum, intra and inter school games competitions and provide opportunities for the needs of specific groups such as girls (girls only clubs), G+T, SEN, health and fitness, confidence and pupil premium to ensure inclusive access and opportunities
- All children need to experience and benefit from competition within school against each other (intra competition) and a greater number of children need to compete in the School Games competitions (inter competition) by entering more competitions and more than one team where possible

Sports Premium (SP) used for:	Amount allocated to action	Brief summary of the intervention or action including year groups, pupils involved and the timescale	Specific intended outcomes: how will this intervention or action improve provision, opportunities, pupil's health, fitness and achievement in PE and school sport.	How will this activity be monitored and by whom?	Actual Impact: what did the action or activity achieve? If you plan to repeat this activity, what would you change to improve it next time?
Croydon School Sports Partnership	£3,881	• PE leader able to attend regular coordinator Meetings. • Entrance fees into a wide range of competitions and festivals across the borough. Provides pupils with an opportunity to compete against other schools in a range of sports. • Croydon Sports Partnership link provides training to staff to ensure they develop their subject knowledge. • Team teaching available to guide teachers who need support with delivering engaging PE lessons.	• Opportunities for children to attend a range of organised tournaments, providing a pathway to the London Youth Games. • Regular updates and resources provided at training courses and meetings. • Various Sports CPD courses available throughout the year. • Improved links between schools (primary and secondary)	• Through PE leader's action plan • Success of our teams in competitions. • The quality of CPDs. • PE leader to monitor and liaise with Croydon Sports Partnership link.	• The school has entered more competition this year than in previous years. This has increased the opportunities for more children to become involved in sport. There has been a substantial increase in the amount of PPG children involved in sport this year and the school achieved a **Gold** Games Mark for the second consecutive year. • Champions of Croydon in hockey and tag-rugby. • Won an award for being the most successful school in Croydon at competitions.
Sports Leaders UK Training and play leaders resources	As part of the Croydon SSP membership	• Targeted children in year 6 to complete Play Leaders training • Play leaders lead supervised playtime games, activities and clubs during lunchtimes for pupils in year 3-6.	• To provide personal development by developing pupil confidence and life and leadership skills • To improve the range of games and activities	• Croydon Sports Partnership link to lead training, lunchtime supervisors to monitor games at lunchtimes.	• Lunchtimes are more engaging as there is a range of activities offered to children each day. • It has given children leadership opportunities (Year 6) • All children in Year 6 have been trained.

			pupils can take part in from years 3-6 at lunchtime by providing teacher and young leader support.		• Leaders are on a rota and are responsible for keeping to their timetable. They work closely with lunchtime supervisors. It has given children a responsible role to live out.
Croydon Football Entry	£45	• Entry into the boys and girls football league and cup	Allows children to represent the school at football.	PE Leader.	• Allowed children the opportunity to compete against other schools. The girls' team won the league again this year. • The boys' team won a CPFC tournament held at Trinity School and made it to the semi-finals of the Croydon Cup (cancelled due to Covid-19)
Specialist PE teacher	£6,840 (£180 per day)	• To team teach teachers during PE lessons. • To run an after-school football club targeting girls.	• PE specialist will work with new teachers throughout the year. These teachers will spend a minimum of 6 weeks working with the specialist, depending on how confident they become. • After school football club for girls.	PE leader	• After-school club – The PE leader wanted to increase the participation of extra-curricular activities for girls and introduce them to football. 52 different children attended this club throughout the year • This year, 2 teachers have benefited from this opportunity. PE lessons have now become more engaging for children because teachers have improved their PE subject knowledge over a range of sports. • A staff questionnaire will be handed out in September to see how confident they are in teaching PE and to identify gaps in subject knowledge.

Netball kit	£190	• New bibs and skirts	• Old bibs were worn and ripped. New bibs were needed for lessons and for the netball team.	• Netball coaches	• Our high-5 netball team won the league for the second year in row.
CPFC football tournament	£20	• This entered us into 3 tournaments.	• Gives both the boys' and girls' football teams the opportunity to compete in a national tournament.	• PE leader	• Boy's national tournament – Won the Croydon tournament and came runners-up in the Surrey final. • Girl's national tournament – lost in the Croydon Final on penalties. • Boy's tournament at Trinity School – Won the tournament.
Mini-bus training Mini-bus hire	£300 £600	• Helping transport children to various sporting events / trips.	• We've always had to rely on teacher and parent support in order to transport children to various sporting events. St. Andrew's allowed us to hire their mini-buses so we can transport all children together.	Training for RC GD, JG and RC are trained to drive the mini-bus	• Three members of staff have been mini-bus trained (GD, JG and RC.) • This saves a lot of time trying to arrange enough lifts to transport children to different sporting events. .
Trundle wheel Hockey sticks Nerf Vortex Howler x6 Volleyballs x24 Tag-rugby set	£12.99 £195 £69 £62.98 £59.98	• To equip teachers with the resources needed to teach good quality PE lessons.	• More equipment means that we can teach more sports and therefore improve fitness levels and help teach children new skills in a variety of sports.	PE specialist and it is all teachers responsibility to request new equipment if needed.	• Updated PE equipment replaced old, missing or broken equipment. As a school, we are very active and want to provide all children with the best PE and sporting opportunities. The equipment enable improved PE lessons as there is enough for all children to use during lessons.
